A Few Photos of Warehouse Facility in Burbank

Offices are also in this facility and at our media facility.

Cleared TV Commercials and Artwork:

➔ **COMMERCIALS:** Motion Picture Magic has the largest variety of commercials, infomercials and instructional video that are cleared for use in film and television productions. Source video files are high enough quality to be played back directly from the file. Formats include 4x3, 16x9 and HD. Native files include uncompressed AVI, H.264 (MP4), some MOV and more.

➔ **ARTWORK FILES:** Motion Picture Magic has many original/source artwork files that are cleared for use in film and television productions. A variety of layouts are available that are suitable for billboards, displays, posters, signs and more. Low resolution samples of artwork can easily be emailed for review upon request.

Displays

Specialty Carts, and a variety of Full Store Displays and Racks; Service Station and Auto Store Displays and Racks available for most of our product lines.
